

## Forres Vintage Vehicle Theme Day

The Moray gig was invited by the proprietors of Ben Romach distillery to attend their Vintage Vehicle Theme Day in Grant Park, Forres, on May 1st. Although not motorised like all the other exhibits, she attracted much interest and comment. Parents of young crew held a bottle stall and sold raffle tickets to raise money to fund potential crew for the international seamanship contest in Bantry in 2012. The young crew that were present held knot tying sessions and even revised for forthcoming exams! At the end of the day the gig and its gear were packed up and transferred to Findhorn where she was launched the following day and had a wonderful shake-down sail.
